MEMORANDUM FOR THE DIRECTOR

I have asked Ambassador Henry Stebbins, who as you know has been confirmed for the post at Katmandu, to lunch on Tuesday, September 15th. Henry comes from my home town of Rochester, New York, and I have seen him quite frequently during his tour of duty as an Inspector in the Foreign Service Inspection Corps. He is also an old friend of [redacted] of my staff. If you would like to broaden this lunch to include others, and perhaps have a briefing at the same time, I would be glad to do so.
